Letter No 57/E. dated 3rd April 1910 from the Post Master Bangalore ~~stating~~ forwarding copies of certain correspondence between himself and the Supdt of the Govt Press Bangalore and stating that if the bulk of the Mysore Gazette can be permitted to be posted on Friday mornings it would save a deal of inconvenience to the Sorting Branch of this office.

The mails from Bangalore, practically ~~to~~ ^{towards} all directions, leave after evening; and, by permitting the Gazette to be posted on Friday mornings there will be a distinct delay of one day in the receipt of the Gazette in all the Districts. It is desirable to avoid this delay, if possible.

The Compiler of the Gazette may perhaps be asked what he has to say to the proposal of the post master

that Gazettes were frequently detained at the City Station on Thursday night, owing to "weightage," although they were posted from the P.O. in time. Hence copies did not reach their destination until Saturday morning. If the request of the Postmaster be granted it will practically make no difference in the time of delivery, supposing that this delay still takes place at the Station.

Clause 62 of the P.O. Guide empowers the Postmaster to keep back packages for one day, if necessary. He (Mr. Vaughan) does not, however, in the

The Post Master is evidently not agreeable to the Gazette being posted on Thursdays. He wants that all copies of the Gazette not intended for Chief Officers ~~and others~~ in outstations, should be posted on ~~the~~ Fridays (and not on Thursdays) and the Post Office freed from the trouble of sorting. This arrangement is not exactly in accordance with what was suggested in this office letter no. G. 6374 dated the 1st May 1911, nor does Mr. Yates agree to this arrangement. (Vide concluding portion of Mr. Yates' H.O. Note of 12th 11 which states: — all packages however would still be sent to the Post Office on Thursday evenings as at present), although in his letter to the Post Master Bangalore Mr. Yates states that "they (Govt.) would permit of posting the

I have the honor to ask if it cannot be arranged for the Government Gazette to be posted before noon on Thursdays or on Friday morning. I ask this because Thursday is the outward foreign mail day and the posting of the Gazette in the evening causes much inconvenience as the sorters are busily engaged with articles posted in the office and at sub offices for the English mail.

In reply to your No. 11289 dated 29th March, asking if it cannot be arranged for the Government Gazette to be posted before noon on Thursdays or on Friday mornings for the reasons given by you, I have the honor to state that the time of publication of the Gazette is regulated by Government and only an order from them to the Press Superintendent would permit of any alteration being made as to time of posting. It is just possible that they would permit of posting the bulk on Friday mornings and sending special copies on Thursdays as now. I think there would be no harm in approaching the General Secretary on these lines. We certainly could
